BabyDogeARMY

We are not a bunch of random people. We are a family united for a common cause, more importantly, we are the ARMY.
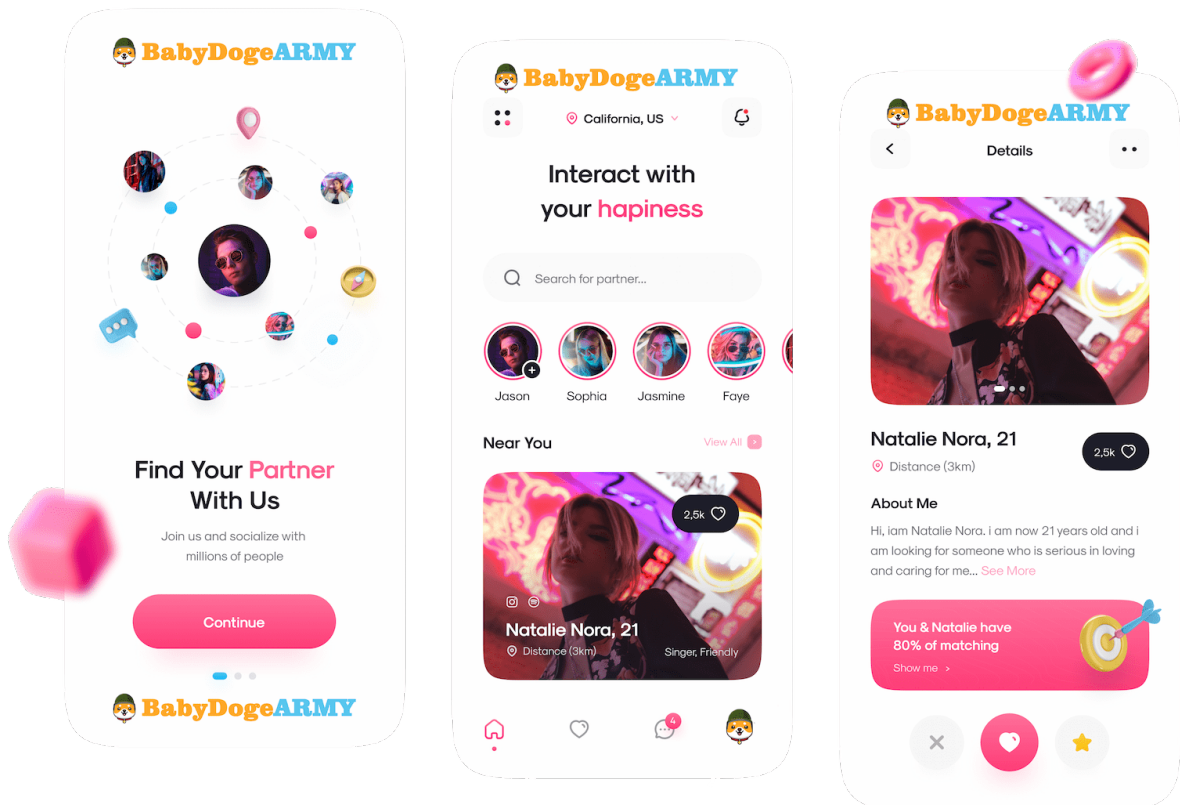

There is no way to stop us.

BabyDogeARMY was created by BabyDoge lovers to bring together the largest and most beautiful community in history and show their true power.

In this direction, we will create the BabyDogeARMY Meeting dApp and a metaverse universe in which we exist with NFTs, each unique

BabyDogeARMY Meeting dApp

BabyDogeARMY meeting dApp was created specifically to bring together millions of BabyDoge lovers and animal lovers around the world.

We are honored to come together with this loving community and to be the architects of thousands of happy stories.

- BabyDogeARMY dApp hosts interactive ways to meet new people.
- Build your BabyDogeARMY profile. (Wallets holding at least 1 BabyDogeARMY token will be able to become a member in order to protect our family and ensure security and it will be mandatory to do KYC**)
- Open your location and match with our family members around you.
- There will be a global search option for our family members from all over the world to meet and make friends.
- With the integration of Metaverse and Web3.0, we are taking friend-finding platforms to another level.

BabyDogeVERSE World

We believe NFTs will change everything when it comes to gaming but current play to earn games are expensive, complicated and require a ton of resources and time to build.
With BabyDogeVERSE, we are focused on bringing fun, casual gaming and collecting eperiences to the blockchain in a cost effective manner so that everyone can participate.

Collect Them All

Once purchased, your BabyDoge Cubes will appear in your personal BabyDoge Backpack. From there, you control what to do next.

1. Keep your BabyDoge Cubes unopened
2. Unbox your BabyDoge Cubes to reveal your blister-packed toy
3. Unwrap your toy and watch as your new friend comes to life

Enter In An Ever-Evolving World

The BabyDogeVERSE is constantly expanding with new toys, games, playsets, accessories and so much more.
